

PRESENTATION OF VULCAN MUNICIPALITY

Vulcan Local Authority collects and manages taxes and incomes according the legislation and offers the citizens the following services:

- Public services: social assistance, citizen safety, civil protection, issuing identity cards-people evidence, agricultural records, public acquisition and from 2010, schools and hospitals are under the authority of local governments
- Public utilities
- Sporting and cultural services
- Administration of gondola and ski area from Vulcan Mountains
- Local development and management of public projects- implementation of infrastructure projects (volunteering was encouraged by contribution of citizens with 2%from the budget of the project „Modernization of some roads and alleys from Vulcan Town”); the municipality provides annual financial support and encourages NGO’s to develop activities like: environment, youth, sports, art, and religion. Also, we support and we are involved in voluntary activities develop by Red Cross Organization.

On the map, we are situated on West Region, Hunedoara County (a very industrialized county on the communism period), Jiu Valley Region (the most important industry is still coal extraction, here are the most important coal mines from Romania, but also big reorganizations, started in 1997 years.
